In re Application of :
Toshio Doi; et al :
Application No. 10571511 :
Filed: 03/10/2006 :
Attorney Docket No. 3749-0124PUS1 :

To Whom It May Concern:

The USPTO mailed a Notice to File Corrected Application Papers to your office on 10/04/2010. This notice contained an error in that it appeared to state that Figs 35-70, 116, 117, 147-153 were made on graph paper or other paper with a pattern or decoration. As this application does not contain such figures, there is no requirement to correct these figures.

The Notice to File Corrected Application Papers also included the correct drawing deficiencies in that the drawings and the Figure Labels do contain foreign language.

A corrected Identification of Drawing Deficiencies is attached. Applicant has the *time remaining* from the original notice of 10/4/10 to make the appropriate corrections. This letter *does not* restart the time period for response.

Telephone inquiries relating to this decision may be directed to the undersigned in the Office of Data Management at 571-272-4200.

Sincerely,

Kimberly Terrell, Manager
Office of Data Management
Publications Branch
